Things That Go

The wheels on the bus go round and round
(roll fists around each other)
Round and round, round and round.
The wheels on the bus go round and round
All through the town.

And many more verses:

The wipers on the bus go swish, swish, swish
(move hand back and forth)
The horn on the bus goes beep, beep, beep
(touch your nose to honk the horn)
The driver on the bus says "Move on back"
(gesture back with thumb)
The people on the bus go chit, chit, chat
(make talking mouths of your hands)
The babies on the bus go "Waa, waa, waa"
(rub eyes)

I'm a little freight train
Chugging down the track
(With arm at your side, make a circular movement)
Now I'm going forward
Now I'm going back
(Reverse arm movement)
Hear my big bell ringing
Clang! Clang!
(Move fist back and forth)
Hear my whistle blow
Toot! Toot!
(Pull the whistle)
What a lot of noise I make everywhere I go.

Row, row, row your boat
Gently down the stream
Merrily, merrily, merrily, merrily
Life is but a dream

Here we go driving, driving, driving
(make driving motions)
Here we go driving and then we STOP!
(Put arms out in front and shout STOP)
(Repeat with swimming, jumping, canoeing, rowing, flying, etc.)

5 little monkeys jumping on the bed
(hold up 5 fingers)
1 fell off (clap on leg)
and bumped his head (hold head)
Mama called the doctor (pretend to phone)
and the doctor said
"No more monkeys jumping on the bed!"
(Wag finger)
(Continue these actions with 4,3,2,1 monkeys until you have no more monkeys, then:)
No little monkeys jumping on the bed
None fell off and bumped his head
Mama called the doctor and the doctor said
"Put those monkeys straight to bed."
